

I am a simple PDF to be used for testing G Grobler's Research Prototype

I am here to test the deletion of text form a PDF Document

The change should be on Page 2 and Page 3

I am Page 1

There should be no changes on me

I am Page 2

There should be some changes to me

I need to be removed

Not me though, I should still be here

I am page 3

There should be some changes to me

I need to be removed

Not me though
